Dear Ms. Harada,

The Instructional Resources and Technology Unit of the California Community Colleges, Chancellor's Office is please to inform you that, after careful review and evaluation of your **CurricUNET** Project by the Technology Award Committee, your project has been selected to receive the Technology Focus Award.

The Chancellor's Office, along with the Award Committee, is extremely impressed with your project and its exemplary accomplishments. We would like to formally recognize you/your team at The Chancellor's Annual Conference on Wednesday, April 10th in Burlingame, South San Francisco. Ms. Erin Gallegos will coordinate and arrange for your complimentary lunch on the 10th and will contact you shortly to provide you with the necessary details related to the award ceremony at the Annual Conference.

Once again, congratulations and we look forward to seeing you at the Chancellor's Annual Conference on April 10th.

LeBaron Woodyard, Dean – Instructional Resources and Technology
